

## Fairfax-Falls Church Community Services Board FY 2013 Ability to Pay Scale

The CSB may provide a subsidy for people who are unable to pay the full fee for service.  
The subsidy, which is determined by the CSB Ability to Pay Scale, is limited to charges for services that are not covered by insurance.  
Subsidies are based on the person's gross family income and number of dependents.  
Documentation of income and insurance will be required for individuals requesting a subsidy where it is practical to do so.

The Scale is reviewed annually and updated based on changes in the federal poverty guidelines and/or the County median income.
